PRESS RELEASE

VANSTAR OBTAINS DTC ELIGIBILITY IN THE US

Montreal, August 31, 2021 - Vanstar Mining Resources Inc. (“Vanstar”, or the “Company”) (TSX.V - VSR) is pleased to confirm that its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (“DTC”) in the United States. The company’s common shares trade on the OTCQX under the ticker symbol VMNGF.

DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S. company that manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through DTC are considered to be "DTC eligible". DTC eligibility is expected to simplify the process of trading and enhance liquidity of the Company's common shares in the United States.

J.C. St-Amour, President and CEO, stated “DTC eligibility will simplify trading of our common shares in the United States. Existing investors benefit from potentially greater liquidity and execution speeds. This also opens the door to new investors that may have been previously restricted from our common shares.”

About Vanstar

Vanstar Mining Resources Inc. is a gold exploration company with properties located in Northern Québec at different stages of development. The Company owns a 25% interest in the Nelligan project (3.2 million inferred ounces Au, NI 43-101 October 2019) and 1% NSR. The Nelligan Project won the “Discovery of the Year” award at the 2019 Quebec Mineral Exploration Association Xplor Gala. Vanstar also owns 100% of the Felix property under development in the Chicobi Group (Abitibi mining camp, 65km East of Amex Perron property) and 100% of Amanda, a 7,679 ha property located on the Auclair formation with historic gold showings up to 12.1 g/t Au over 3 meters.

The TSX Venture Exchange and its Regulation Services Provider (as that term is defined in the TSX Venture Exchange Policies) do not accept any responsibility for the truth or accuracy of its content.
